End User License Agreement
DoppelVer Database
www.machineperceptionlab.com

By signing this document, the user, the individual who will make use of the database, agrees to the following terms. With database, we denote the DoppelVer database.

1. Commercial Use

The user may not use the database for any non-academic purpose. Non-academic purposes include, but are not limited to:

- proving the efficiency of commercial systems
- training or testing of commercial systems
- using screenshots of subjects from the dataset in advertisements
- selling data from the dataset
- creating military applications
- developing governmental systems used in public spaces

2. Responsibility

This document must be signed by a person with a permanent position at an academic institute (the signee).

3. Distribution

The user may not distribute the database or portions thereof in any way, apart from using small portions of data for the exclusive purpose of clarifying academic publications or presentations. Note that publications will have to comply with the terms stated in article 5.

4. Access

The user may only use the database after this End User License Agreement (EULA) has been signed and returned to the Machine Perception Lab (MPL) group at the University of Nevada, Reno. The signed EULA should be returned via email to Dr. Emily Hand (emhand@unr.edu).

The user may not grant anyone access to the database.

The MPL may request that the dataset be deleted/destroyed at any time and the undersigned agrees to delete/destroy the dataset at the MPL's request.

5. Publications

Publications include not only papers, but also presentations for conferences or educational purposes.

All documents and papers that report on research that use any of the DoppelVer Database must include a citation to:

N. Thom, A. DeBolt, L. Brown, E. M. Hand, "*DoppelVer: A Benchmark for Face Verification*," International Symposium on Visual Computing, 2023.

The user will send a copy of any document or papers that reports on research that uses the DoppelVer Database to Dr. Emily Hand (emhand@unr.edu)

6. Academic Research
The user may only use the database for academic research.

7. Warranty
The database comes without any warranty. The Machine Perception Lab at the University of Nevada, Reno cannot be held accountable for any damage (physical, financial, or otherwise) caused by the use of the database. The Machine Perception Lab at the University of Nevada, Reno will try to prevent any damage by keeping the database virus free.

8. Misuse
If at any point, the administrators of DoppelVer database and/or Machine Perception Lab at the University of Nevada, Reno have a reasonable doubt that the user does not act in accordance with this EULA, they will be notified of this and will immediately be declined the access to the database.
